your **Parenting Journey**

Parenting Journey - a universal programme for all parents to support and guide you through the significant stages of child's development. Many of these Stops take place in the Children's Centre and are jointly delivered by Health Visitors and Family Service Workers.

Stop 2 - At this Stop Health Visitors and Family Service Workers provide support to expectant parents offering advice and information prior to baby's birth. This is also an opportunity to look around the Children's Centre.

Invite letters are sent by health visitors. Please call the children centre if you are unable to make your session date.

Stop 5 (9 – 16 weeks) - This Stop is delivered by Health Visitors and Family Service Workers. It is an opportunity for new parents to visit the Children's Centre and meet other parents. The focus of this Stop is safety in the home and communicating with your baby.

Invite letters will be sent to you. Please confirm with your children's centre if you are unable to make that date.

Stop 6 - This Stop is delivered by Health Visitor and Family Service Workers. The focus of this Stop is communicating with your baby and weaning.

Please contact a Children's Centre to book your place onto the weaning stop.
